SUMMARY

Data Scientist with 3 years of experience in machine learning and deep learning. Strong background in NLP and data analysis.

EXPERIENCE

Data Scientist — TechMinds Solutions, Bangalore (2022–Present)

- Designed machine learning models using Scikit-learn and TensorFlow.
- Worked on NLP tasks including named entity recognition and sentiment analysis.
- Used Pandas and NumPy extensively for data wrangling and EDA.
- Deployed models via Django REST Framework for production use.

EDUCATION

M.Sc Data Science — University of Hyderabad, 2021

SKILLS

Python, Machine Learning, Deep Learning, NLP, TensorFlow, Pandas, NumPy, Django, Scikit-learn, SQL, Matplotlib, Seaborn
